3/12Memo For Dr Yuma

I have enclosed 2 letters to  
give you a heads up

#1 is being addressed by Dr Wade  
The letter come in via Senator  
Clemon. Our draft response is on  
the second page. okay with you?

#2 is a real problem. The AF  
is answering but DIA's USDRR are  
asked to coordinate. I send this  
as a heads up so we can think through  
a response.
